Dear Sir,

QUOTATION FOR HP SERVER COMPUTERS

We thank you for selecting our organization to provide you with a quotation for the above requirement.

E-W Information System Limited (Ewis) was incorporated in 1986 and has been one of the pioneer ICT solution providers in Sri Lanka. Ewis is the first IT Company in Sri Lanka to obtain ISO 9002 certification for marketing and servicing of IT equipment and also the first IT Company to be a member of Global Compact, the world's largest voluntary corporate responsibility initiative.

We have regional sales offices covering the major geographical areas of the Island and the engineering support covers all the parts of the Island. The engineers have been trained with the evolving technologies to support our valued customers to use their ICT systems efficiently and effectively. Ewis has been engaging with the ICT giants such as IBM, HP, Lexmark, Microsoft, Oracle, Aros, etc., with a proven record of performances. We are an Authorized Service Delivery Partners (ASDP) for IBM, HP, Aros and Lexmark products in Sri Lanka. Our customer base comprise of the Public sector, corporate sector and Consumers which proves the strength of Ewis.

We trust our proposal will meet with your approval. If you require any clarifications please contact the undersigned on the following numbers:

General Line : 0117 520520
Mobile Line : 0773 710942

Assuring you of our best attention at all times.

Very truly yours,

E - W INFORMATION SYSTEMS LIMITED
