

Sri Lanka Shipping Company Limited provides total solutions for Ship lay-ups in Sri Lankan waters.

Sri Lanka Shipping Company (SLSC) is the leading agency service provider in Sri Lanka for cost-effective lay-up solutions.

Being ship Owners, Managers and Operators we understand the business needs and cost effective requirements of a lay-up. Our in-house team of experts that consist of Chief Engineers, Master-Mariners, Naval Architect and Crew Management teams could provide their expertise to provide cost effective lay-up that suit the requirement of vessel owners whether it is a hot or cold layup. We are also established Port operators and could negotiate competitive port tariff in the region.

We currently managed 3rd party vessels laid up in Trincomalee harbour which is one of world's biggest natural harbours, used for ship **lay-up** during downturns in the shipping market for over 40 years.

Positions:

Trincomalee Harbour is one of the biggest natural harbours in the world, which has been identified as the preferred lay-up port by many vessel owners / operators, which is owned and operated by Sri Lanka Ports Authority, while other international Sea-Ports in Sri Lanka, such as Colombo, Galle, Hambantota also allows Hot lay-ups. Trincomalee, the deep water harbour by nature, is capable to accommodate all types of vessels at different weather conditions.

Our Services:

We take care of all types of service requirements you need to keep your laid-up vessels in good shape, and personalised agency / husbandry services to ship's and rig's owners.
